

OSC-MHA WORKING IMPACT **PAPER SURVEY DATA ENTRY ONLY LINKS**

**DO NOT SEND THESE LINKS TO ACTUAL
YOUTH, EMPLOYER OR MENTOR-COACH
SURVEY TAKERS**

The main survey link www.workingimpact.org should **NOT BE USED for data entry**. The surveys on the main platform randomize the list of questions each time you click for a new survey. This makes data entry virtually impossible.

IT IS EXTREMELY IMPORTANT that you do not send these data entry links to actual youth, employer, mentor or coach survey takers.

They should only be used by people doing data entry of paper forms.
